Inspiring the leaders of tomorrow to think for themselves and act for others

MESSAGE FROM MR LAWLOR

Many congratulations to Mayumi (Yr11), who has been interviewed on BBC Radio about her recent triumph at the grand final of the Jack Petchey "Speak Out" Challenge! competition. You can listen to Mayumi from 1.07 via <https://www.bbc.co.uk/sounds/play/p0bckrlp>

It was wonderful to welcome the parents of our Year 11 students to Thursday's Parents' Evening. We have continued with a modified approach to these important events, as we balance our determination to enable parents to visit the school with the imperative to keep people safe. Thank you for your understanding and support.

Congratulations to Manaal in Year 12 who was presented with her Arkwright Engineering Scholarship Certificate by Mr Lawlor. Manaal worked incredibly hard on her application and we are all thrilled with the outcome!

Sixth Form German Trip

10 German Sixth Form students enjoyed learning more about the role of film in East Germany, it was great to see so many German learners at the BFI Imax in London.

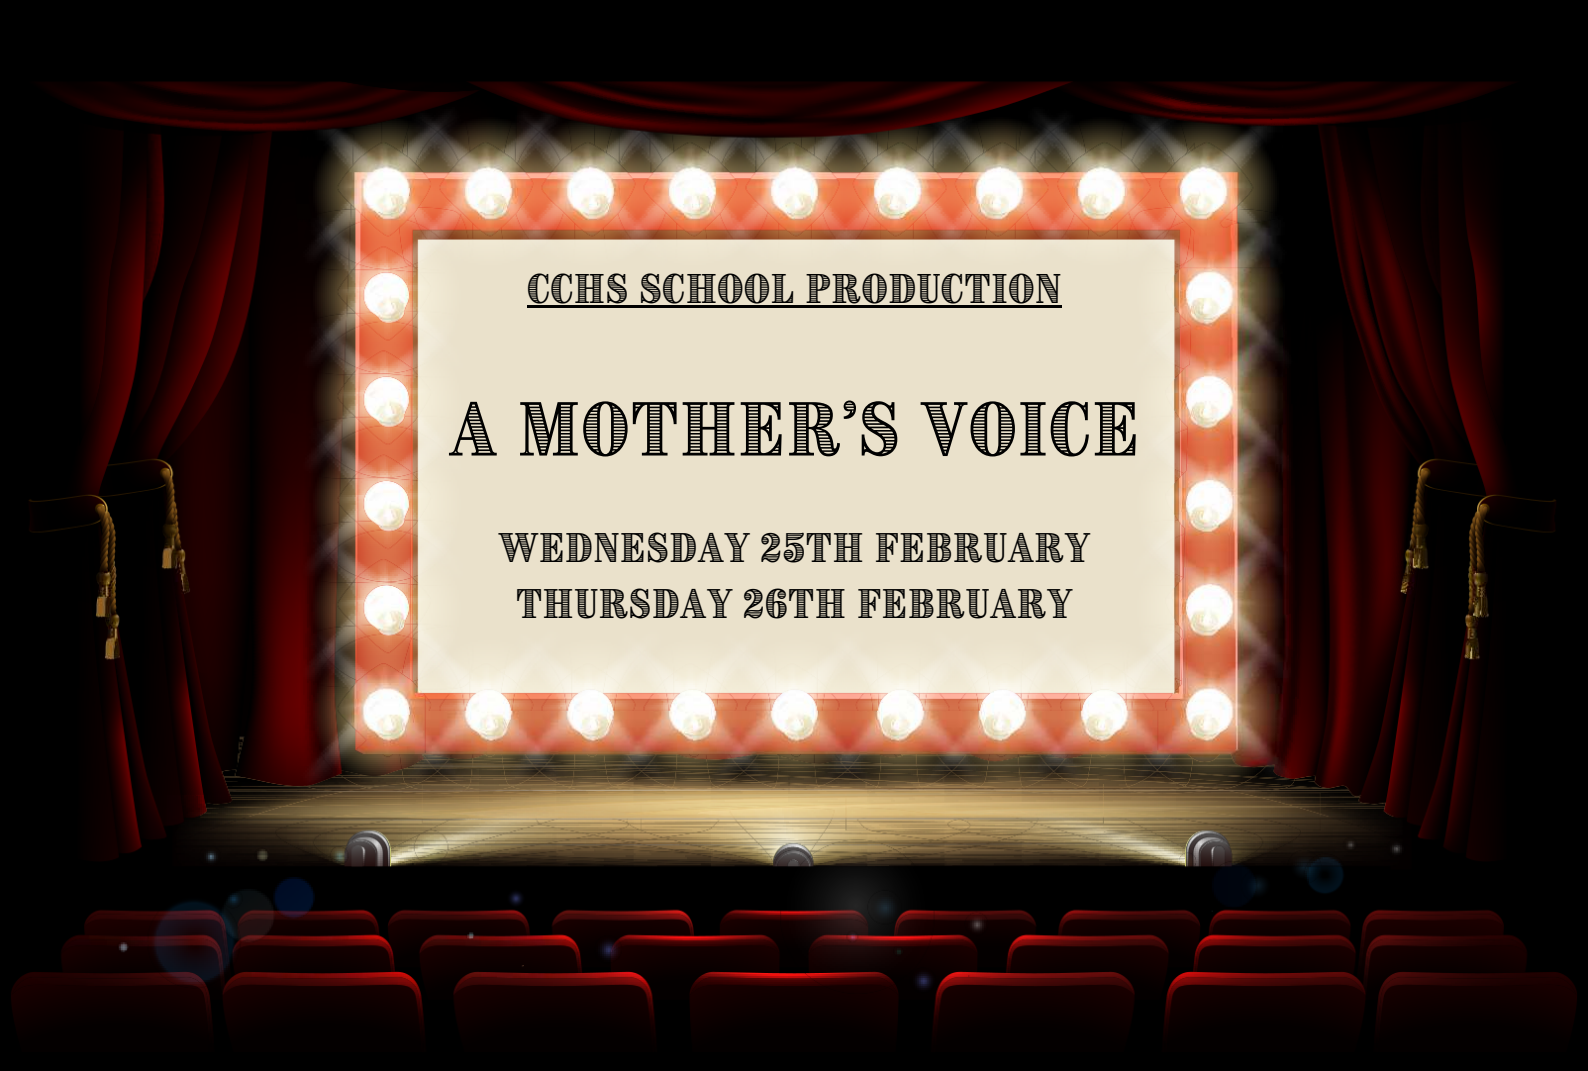

The Year 12 students enjoyed experiencing some information on film analysis for the first time, and Year 13 have consolidated previous knowledge; they have been motivated to watch other German films based on the same era. Well done to Alexandra, who took the microphone to answer two questions in the auditorium!
